

YUANKAI TAO (■■■■)

yut033@ucsd.edu | +1 619 616 8193 | GitHub: YuankaiTao-super

EDUCATION

University of California, San Diego (UCSD) — M.S. in Quantitative Finance

Expected: Dec 2025 | GPA: 3.83/4.0 | Honors: Beta Gamma Sigma (Top 20%)

Zhongnan University of Economics and Law (ZUEL) — B.S. Management

Graduated: June 2024 | GPA: 3.53/4.0

SKILLS

Programming: Python, SQL, C++, Matlab, STATA, LaTeX

Tools/Libraries: PyTorch, scikit-learn, Pandas, NumPy, PySpark, Git, Docker

Languages: Chinese (native), English (proficient), Japanese (beginner)

TECHNICAL PROJECTS

Performance Optimization of a Yield-to-Worst Solver — Florida Municipal Securities

- Designed caching system achieving 9x performance increase; Numba JIT solver with 210x speedup

Jane Street Market Prediction (Kaggle) — Silver Medal (Top 2.7%, Rank 94/3757)

- Ensemble of NN, Ridge, XGBoost, TabNet models

RESEARCH EXPERIENCE

Research Assistant — Prof. Franklin Qian, UNC-Chapel Hill (Mar 2025 — Present)

- Large-scale data pipeline (Python, PostgreSQL, PostGIS) for 76M observations on GCP

Independent Research — News Media Sentiment & Financial Markets (Jan 2025 — Present)

- BERT-based industry classifier (93.5% accuracy) for sentiment analysis

PROFESSIONAL EXPERIENCE

VariFlight Technology — Data Developer Intern (Jun 2025 — Aug 2025)

- Web scraping, OCR extraction from 600+ PDFs and 500+ webpages

Ernst & Young — Consulting Intern, FSO (Dec 2022 — Feb 2023)

- Financial data auditing for Hyundai Motor Finance Company (China)

CERTIFICATIONS

- Deep Learning Specialization (Coursera, DeepLearning.AI)
- Algorithms and Data Structures Certificate (Coursera, UC San Diego)
- Big Data Fundamentals with PySpark (DataCamp)
